# OPTIMIZED SOLUTIONS FROM USP

USP provides valuable tools to simplify the design process

- ✓ Our “Quick Connect Guide” Helps You Design Faster and Easier  
**CD includes typical wood connection details (Autocad version 2004) and design notes ready to insert into your contract drawings**

**To Get Your FREE Resources Online**  
 log on to [www.USPpromotions.com/freetools](http://www.USPpromotions.com/freetools)

- ✓ Optimized Solutions focused on core products that benefit you and your customers - fewer products will simplify the design and eliminate installation errors
- ✓ Creating value for your builder - dual specification creates competition and leads to lower costs

**To Simplify and Save, Contact Us Today!**  
 call 1.800.328.5934 or log on to [www.USPconnectors.com](http://www.USPconnectors.com)
