## REPRINTS

### Traditional Reprints

Reprints are valuable assets for diverse purposes such as sales meetings, trade show handouts, training materials, recruitment brochures, investor profiles, annual reports, press releases, or the introduction of new products. Reprints can be crafted as single sheets or multi-page, 4-color “brochures” tailored to fulfill your specific marketing requirements. Printed on 80lb gloss paper, these materials are trimmed to the dimensions of the magazine, measuring 8 x 10.75 inches.

Quantity	2 Pages	4 Pages	8 Pages	12 Pages
